Team suit

The team suit for this season will be available at NL Aquatics, we will inform swimmers of the link to purchase. You do not have to get a new suit and can use the one from last season. We will send out info for a try-on date through NL Aquatics.

We will continue to email and post the information to our tab on the GC Swim Club website (www.GCSwimClub.com) and our Facebook page. We will also utilize TeamSnap for our meet schedule. We do ask when planning vacation this summer, if at all possible, please try to leave for vacation after our Saturday meets, we really would like all swimmers to be present at the Saturday meets.

Our coaches and the swim team parent committee are all excited to get the swimmers in the water!

As always, if you have any questions, please feel free to reach out.
